

Getting started with Traction Tools: our proven process for your success

Note to EOS Implementer®: Please give this handout to your client at Focus Day™.

1. Set up for success

Your EOS Implementer will give you this Proven Process at Focus Day

2. Get crackin'

Schedule a demo at mytractiontools.com/schedule-a-demo and we'll walk through how to send us your data so we can upload it for you

4. Get comfy running Level 10 Meetings™

Life gets easier with less prep time, less stress and more productivity

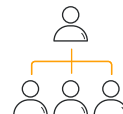

3. Get leadership hyped up

Schedule a training session to get the ball rolling at the top

5. Get questions answered in real time

We'll check in with additional tips or to answer questions

6. Get supervisors up to speed

and on the same page with their own customized training session

7. Get continued unlimited support

We provide free assistance and training when you need it
